Re: Case No. 43398-F

Dear Mr. Daley:

In checking my records I found the enclosed letters which they belong to the same group delivered to your office in 1963 and that you acknowledge with your letter of July 23, 1963.-

I recalled that said letters were given to me by Mr. or Mrs. Louis Rabel, but I do not understand how they were mislead in my files.-

None of this mail is for me or anyone of my friends and was, therefore, in effect, opened in error.-

The total value of the cash and check enclosures is \$4.00.-

Sincerely yours,

ok
